

THE KENNEDY FAMILY & THE NEW LIFE CHILDREN'S HOME

GALATIANS 6:9 AND LET US NOT BE WEARY IN WELL DOING: FOR IN DUE SEASON WE SHALL REAP, IF WE FAINT NOT.

Dear Pastor & Co-Laborer,
Greetings from our family! Just this quarter we've been able to reach some of the highest service men and women in Peru, and also serve and share the Gospel with thousands of students and teachers in the public school system and villages around us. We had the privilege of hosting several churches and short-term mission teams during the months of April-August. An amazing highlight was when one of our groups brought approx. 600 solar powered radios with the entire Bible and the Gospel recorded in Spanish, English, and Quechua. We took these to the town of Ayacucho, Peru. This is where terrorism began in Peru and a good majority of the people speak Quechua. It was humbling to be able to reach these people with the gospel. We had the privilege of meeting and starting a new friendship with a colonel who serves over 1,000 police officers in one of the busiest areas of the capital

city of Lima. We were able to share the Gospel with over 45 policemen that day. The colonel asked if we would come back and speak the next few mornings as well, and we eagerly agreed. The second and third days were just as amazing. God moved, and decisions were made to trust Christ as Savior! We offered to schedule something on an even larger scale and feed every police officer there. In August we took our soup kitchen to a stadium, that the colonel rented for us. We fed fried rice, gave away Bibles, an invitation to our church, and shared the Gospel to over 1,000 policemen and family members! We are working closely with the colonel and are already scheduling more events for this Christmas, where we can share the Gospel in this area of Lima and with the military of Peru! I'm so thankful for this amazing opportunity! We went into two youth prisons, a large boys prison and a smaller prison for girls, and

had the privilege to share the Gospel with hundreds of inmates. The response was amazing and they were so thankful that we came.

Although we are often in public schools sharing the Gospel, we entered three new large public schools this quarter and shared the Gospel in each classroom. We had an amazing time hosting our Pastors and Leaders Training Week in July. This is always a great time of encouraging, and training nationals. We've been able to give out tens of thousands of John and Romans and Bibles printed by Bearing Precious Seed Ministry in Ohio. We have been so blessed over the years to have had the wonderful privilege of handing out copies of God's Word here in Peru, to folks that have never owned a copy.

Thank you for your faithful prayers and financial support to help make all this possible!
