

Dear pastor and Faith Chapel Independent Baptist Church family,

We greet you in the glorious name of our newborn king and savior Jesus Christ, the name above every name.

As we come to the end of 2017, I humble and thank you for your year-long prayers and support. Undoubtedly your prayers and support helped my family to carry on the family and ministry responsibilities. God graced us to serve Him almost every day of this month. I enclosed the schedule for your understanding and praying for the lost souls and the Word that was preached. Thank you again.

There are many ups and downs, testing and blessings ... a few I would like to bring into your notice for praise and prayer.

Praise:

- for the good health, travel mercies and ministry opportunities; twenty four members who joined our church this year.
- For Samuel, the oldest son – finished high school and entered into college studies.
- For the launching of New Life Mission clinic and the team of doctors.
- For the new church shed at Currency Nagar, Vijayawada.
- For the Christmas program held for government officials and political leaders.

Prayer:

- for the church needs – \$5000 loan taken for new church shed at Currency Nagar, Vijayawada.
- For the \$3000 loan taken for the Christmas programs.
- For the \$1500 monthly resources to develop mission clinic to render full medical services for the poor and needy of the area.
- For my church and mission organization responsibilities, for my wife Dr. Ratna medical duties, for Samuel and Stephen studies.

I will post all these pictures in google gallery and send you the link in the first week of Jan 2018. Thank you again for being a part of our family in His service, Wish you a Happy Christmas and happy New Year 2018.

Yours faithfully,
