

FEBRUARY 2018 SIERRA LEONE PRAYER LETTER

The container was shipped in December and arrived in February. It was such a welcome sight...all these months of gathering clothes for the children in the provinces, as well as the adults, the desks and chairs, and supplies for our schools, equipment for the ministry, and food items for our guests as well as ourselves. In particular, a special 'Thank You' to all the churches that made this possible.

We are in the process of constructing three buildings. Since the rains begin in April, we are praying that we can complete these projects before they become heavy and consistent in mid-June. We need for them to be ready for school opening in September.

Since May of 2016, my son-in-law and daughter have conducted 48 youth camps with 10,289 students attending, 6583 professions of faith, and 21 teachers making a profession of faith in Christ. The Rawlings Foundation is going to build a pavilion that will seat 500 students and bathroom facilities to accommodate that number. We are so grateful for their vision to reach the youth of Sierra Leone, as well as their 13 other locations around the world.

Please pray for Sierra Leone as their Presidential election is going to be held March 7th.

I want to express our deepest appreciation for your financial investment and prayers for the ministry and for us.
