

## We Are Advancing The Gospel Of Jesus Christ!

Hello Friends of Youth Action Ministries,  
Becky and I are so grateful for you. Thank you for being our friend who stand by us in this evangelistic ministry. Thank you from the bot-

tom of our hearts. You are such an encouragement to us, to carry on each day in the work of reaching youth for Christ. We hope and pray that you will be blessed in helping us and that the Lord would richly bless you as you serve the Lord. We hope you will once again commit to stand behind us this new year to reach souls for Christ. Thank you and we look forward what the Lord will do this new year of 2018!

## Youth Action Center Spring Project!

Our **Youth Action Center** is having a make over! We have four rooms dedicated to the **Youth Action Center** and a total of 480 square feet. The total project is costing us \$ 4,100.00 for the remodeling project. We are putting up new paint on the walls and trim, new flooring laminate, and developing a new studio for our **Evangelism Courses** and purchasing Camera and Video editing equipment. This is a new area of evangelism outreach our ministry has been exploring and developing with positive interests. This is being done as we write this update. We will be working on this project from now till end of April. Becky and I are dedicating our time to this massive project.

Our **Youth Action Center** will be much more approachable and our **Evangelism Offices** will be more applicable to produce better materials and have more evangelism materials developed and available. Our "IT" office will be much more available to use for a dedication of our social media, and our website capabilities will be much more user friendly. One big change to our **Youth Action Center** is a room dedicated to our **Evangelism Studio** where we will be hosting different speakers and developing our **Evangelism Conferences**. So many churches are depending on Webinars, E-Conferences, Podcasts, and Video Instruction and we are not in the race of delivering proper evangelism training and materials to the many churches we reach out to for training. So we decided to dedicate a room 12 X 15 for the **E-Conferences Studio** to develop this outreach ministry.

We are also in the process of raising funds for our **Spring Video and editing software equipment**. We are in the planning stages and needing to purchase a Canon mid level camera and Final Cut a mid level editing software for this new studio. This project will cost us \$1,100.00 for the Equipment and \$3,000.00 for the **Youth Action Center**.

We would like to ask if you could please give a special gift for the Easter / Spring season toward this special **Youth Action Center Project**. We have about \$ 800.00 dedicated to it so far and need \$ 3,300.00 to go. (continue on the back) **Youth Action Center Project**
