Dear Prayer Partners & Supporters.

We thank God for all of you who have lifted Krupa Kendra Ministries and its pastors in your prayers and have sacrificially given to this Ministry. In the last few months, we are encouraged by God's work in and through this ministry and that God hears the prayers.

Krupa Kendra Pastor's Conference in Vishakapatnam:

In January, all the pastors under Krupa Kendra Ministries united for a three-day conference, Jan 28 - Jan 31, in Vishakapatnam. Guest speakers were Pastor. Vijay Kumar of Trinity Baptist Church, Vishakapatnam along with Pastor. Pastor. Suresh and Pastor. Murthy. We were encouraged by listening to the pastors who shared some of the challenges they had faced in their Ministry and how God, in His mercy, helped them in sowing the seeds of the Gospel and drawing people towards God.

Kundanapalli village Church Construction:

Another encouraging event is that, the construction of Church building has commenced at Kundanapalli village, where Pastor. Prabhudas is stewarding. We thank you for all your prayers and sacrificial giving towards this building construction. We particularly thank Desert Hill Baptist Church for their special financial support towards the construction. We are encouraged by seeing how God is moving and keeping us strong through various challenges and difficulties. Praise God! Please continue to pray and support for the construction and the completion of the church building.

Krupa Kendra Student's Conference and Graduation in Managuru:

In March, we had a three days conference for the students of Krupa Kendra Bible School, Mar 13 – Mar 15, in Managuru. As students shared their testimonies and experiences, it was encouraging to learn and know how God is moving in equipping the students for His Mission and draw His people.

In that conference, we also had a Graduation ceremony for 25 students: of them were 12 women and 13 men, issuing degrees in Bachelor of Theology and Certification of Theology. We are encouraged to see more men and women willing to know more about God and partake in His work. We have a fresh batch students already lined up to begin their training starting in June 2018.

Prayer Requests: -

Pray for the Pastors and their families.
Pray for the Bible School Teachers and Students.
